DRUGGED DRIVING STATE PSA

30 Sec Script:

DIRECTOR: I'm Gil Kerlikowske, Director of National Drug Control Policy.

We are all familiar with the terrible consequences of drunk driving. Now, my office is teaming up with Washington DC to highlight another important public safety issue...drugged driving.

Chief Lanier: I'm DC Police Chief Cathy Lanier. We've made an impact in the last twenty years in reducing drunk driving. And drugged driving is just as dangerous.

DIRECTOR: Drugs – Including marijuana and even some prescription drugs - can impair perception, judgment, and motor skills..

Chief Lanier: If you're getting behind the wheel , make sure that you are driving responsibly. Let's work together to keep our roads safe.
